Evangelical Lutheran Worship – The “Cranberry” Hymnal

They are here! When we return to our Sanctuary for worship in a few weeks, a “new” hymnal will be waiting for us.

We still need help funding the purchase of the new hymnals. Each hymnal is \$25, and we need 100 hymnals to fill the pews. If you are able to help out, please email Mark at (mark@gracesa.org) or Mo at (office@gracesa.org) with the number of hymnals you can fund at \$25 each. Payments can be sent to the church, or you can make them online at gracesa.org/giving (choose general donations, and designate hymnal in the Misc. donation box).

Grace musicians remember we would like to be able to purchase extra copies for the music room. Let us know if you are able to help with the music room set. In addition, any member who would like a personal copy for at home we can add it to the order.

RALLY DAY - SEPTEMBER 13th - 12:30pm - Church Parking Lot

- Join us in the church parking lot on September 13th at 12:30pm for our Rally Day Kick-Off!
- Pack a lunch (or support your favorite small business) and join in a socially distant "picnic" in our cars in the church parking lot.

- After showing off your best masks, waving to everyone, and eating, we will separate out into caravan groups to do a driveby parade to members that are at home/homebound.
- If you feel called, decorate posters or dress-up to represent our theme: BIBLE HEROES! (This is not necessary and can be SIMPLE!)

Reach out to the Parish Education Chair, Ashley Fox, at fox.ashe@gmail.com if you have questions/concerns.
